

HOUGHTON STRIPE LATE PICKED VERDELHO 2008

BACKGROUND INFORMATION

Houghton is Western Australia's most awarded winery. Established in 1836, and is the third oldest winery in Australia.

Houghton sources the finest fruit from vineyards in all premium viticultural areas across Western Australia, to craft exceptional wines that truly reflect their regional origins.

TASTING NOTES

Bright in appearance and light straw in colour, this wine is fresh and clean with tropical fruit aromas.

The wine is rich with good texture, displaying tropical characters on the fruity, full flavoured palate.

WINEMAKER'S NOTES

The Verdelho grapes were harvested in the cool of the night to capture these unique flavours. The grapes were then crushed and pressing chilled before draining. The juice was fermented cool to retain the freshness and fruity flavours of this white wine. After fermentation, the wine was prepared with minimal handling and fining prior to early bottling to retain all the fine fresh fruit flavours.
